HOUSE OR CAESAR

In the year 2000, Mike and Diane Donovan looked at an empty space in the Eastfield Mall and saw opportunity. They created a special place where people of all ages could come together, enjoy a good meal, and share good times.

Mike and Diane Donovan created a unique oasis of Irish culture in Springfield and were very proud of their family friendly atmosphere. After fifteen successful years of making friends and making memories, they decided to pass the torch to Justine Kane and Frank Garaughty. Justine and Frank continued the Donovan’s tradition eight more years at the Eastfield Mall location until the sad news came that the mall would be closed.

A new chapter in the story begins with the opening of Donovan’s Irish Pub in its new Holyoke location. Justine and Frank invite you to come on in, soak in the surroundings and feel yourself transported back to the old country as the finest in live traditional Irish music washes over you.

Still keeping the tradition alive!
